Re: Letter in Support of BZA Case No. 21203 – 3800 Harrison Street, NW

Dear Chairperson Hill and Members of the Board,

We are the owners of the property located at 3803 Gramercy St NW which is adjacent to 3800 Harrison Street, NW. I understand that the Applicant is requesting special exception relief to construct an addition to their house and to convert the garage to an accessory dwelling unit. I am writing to give my support for the above-referenced BZA application.

Thank you for your time and consideration.

Sincerely,

Kristin Gifford
