Hello,

I am a Ward 2 resident writing to you in support of The Aston Shelter, ahead of the January 29th BZA hearing. It's critical that the BZA allow the Aston to continue operating. We need flexible, innovative solutions to solve the homelessness crisis and the housing shortage. The Aston is a perfect example of the government working hard to find solutions to hard problems.

The city should be authorized to operate the shelter at its full capacity. I live just off New Hampshire Avenue, and I want to see the shelter remain open rather than throw my neighbors out into the street in the middle of winter (or any time of year, for that matter).

Thank you for registering my email.
