I am writing as a ward 2 resident in regards to the January 29 hearing on the potential closing of the Aston Shelter. It is my opinion that closing a homeless shelter in the middle of the winter would be a cruel and unnecessary failure on the part of our local government. It would be a terrible step backwards and a betrayal to the people who have already moved in. I am thankful to our government for providing for our most vulnerable neighbors and would encourage the VZA to authorize the Aston to operate at full capacity.
