**RE: Appeal of the West End DC Community Association BZA Case No: 21221  
Building Permit No. B2401624 APPELLANT'S EMERGENCY MOTION FOR  
STAY AND REQUEST FOR EXPEDITED HEARING DATE**

Dear Chairperson Hill,

Please afford me the grace of considering my comments after the deadline as I was not aware that I had ten (10) days to respond to you in regards to the request for a stay and expedited hearing date.

I was notified by West End DC Community Association (WEDCCA) Counsel via email on October 10, 2024. The Assistant General Counsel for Department of Buildings (DOB) and the Office of Attorney General (OAG) responded via email that they did not support an emergency stay or expedited hearing request. I did respond after respective counsel weighed in and stated that I attached myself to those comments, without realizing that I needed to follow-up with the Board of Zoning Adjustment (BZA) as well.

It was brought to my attention that BZA has granted a hearing for "Motion to Stay" for Wednesday, November 6, 2024 for 9:30 a.m.

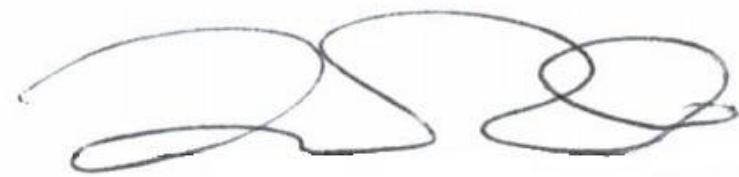

In addition I am respectfully requesting that BZA does not make a decision in regards to the stay until ANC 2A's next monthly meeting which will occur on Wednesday, November 13, 2024 at 7 p.m.

This is an issue that ANC 2A would like it's "great weight" to be considered before BZA makes a decision on this request by WEDCCA.

It is my hope in spite of my comments being classified as "late" per the guidelines that you will afford me the grace to allow ANC 2A to weigh in on this topic by delaying the

RESPECTFULLY SUBMITTED.

Sincerely,
