Conditions/ Restrictions:

This permit expires if no approved inspections have occurred within one year after the issuance date on this permit or 180 days for structures built under the Residential Code. A permit extension must be requested before the expiration of this permit.

As a condition to the issuance of this permit, the owner agrees to conform with all conditions set forth herein, and to perform the work authorized hereby in accordance with the approved application and plans on file with the District government, and in accordance with all applicable laws and regulations of the District of Columbia. The District of Columbia has the right to enter upon the property to inspect all work authorized by this permit, and to require any change in construction which may be necessary to ensure compliance with the permit and with all the applicable regulations of the District of Columbia. Work authorized under this permit must start within one (1) year of the date appearing on this permit or the permit is automatically void. If this permit has expired and no work or partial work was completed, a request for a refund may be made for review and consideration.
