To Whom It May Concern,

RE: Letter of Support for BZA Case #:21234

ANC 3F (hereinafter, the “Commission”) held its regular meeting on Tuesday, November 19th, 2024 via Zoom Workplace. A quorum was present at all times. Proper notice of the meeting was delivered through the ANC 3F website and official social media accounts, and by Van Ness Main Street and Forest Hills Connection.

The meeting’s agenda included BZA Case #21234, which concerns “the installation of two (2) Omni antennas and four (4) panel antennas in support of the relocation of (OUC) 911 radio site from UDC Building 41 to Building 38”. Four representatives of the Department of General Services were in attendance during the discussion of this item. The Commission voted unanimously, 6-0-0, in support of the relocation of the radio site, with no other changes.

We ask that the Commission’s vote be granted “great-weight”, to which it is entitled under DC Law.
