Re: Letter in Support of BZA Case No. 21236 – 906 Westminster Street, NW

Dear Chairperson Hill and Members of the Board,

Our names are William Havemann and Hallie Davison and we are the owners of the property located at 908 Westminster Street, NW, which is adjacent to 906 Westminster Street, NW. We understand that the Applicant is requesting special exception relief to construct a 2nd story stairway and landing leading to a roof deck. We are writing to give our support for the above-referenced BZA application.

Thank you for your time and consideration.

Sincerely,

William Havemann

Hallie Davison
