Re: Letter in Support of BZA Case No. 21236 – 906 Westminster Street, NW

Dear Chairperson Hill and Members of the Board,

My name is W. Reid Dunavant and I am the owner of the property located at 904 Westminister Street, NW, which is adjacent to 906 Westminister Street, NW. I understand that the Applicant is requesting special exception relief to construct a 2nd story stairway and landing leading to a roof deck. I am writing to give my support for the above-referenced BZA application.

Thank you for your time and consideration.

Sincerely,

W. Reid Dunavant
