Some people who received this message don't often get email from tammysimth1@gmail.com. [Learn why this is important](#)

The date and time overlaps with my work schedule. Mr. Hayman is asking for a special exception for the extension to the rear of his home. This extension is out of compliance. This extension needs to come down and put into compliance. So I Am disagree with a special exception from the way this extension looks it should have never been put up. So I'm saying NO!!! to the special exception.
