## RE: ANC 8A Support for 1956 Fendell St SE Zoning Adjustment Application

Dear Mr. Reid,

At its regularly properly noticed meeting on November 20, 2024, with a quorum of four Commissioners present, Advisory Neighborhood Commission (ANC) 8A voted unanimously to support the 1956 Fendell Street SE permit number B2010518 zoning board adjustment application to construct a two-story addition and a deck in the rear.

The applicants are long-term generational residents of the community who have demonstrated thoughtful engagement with their neighbors and have secured their support for this project. This adjustment will allow the family to modernize their home and complete much-needed renovations, contributing to the preservation and improvement of the neighborhood.

Thank you for the opportunity to write this letter of support. Please feel free to contact us if you require further information.

Regards,
