**RE: Statement of Advisory Neighborhood Commission 1A in the Matter of Foreign Missions Board of Zoning Adjustment Application No. 21252 of Embassy of the Republic of Cuba**

Dear Chairperson Hill:

I am writing to inform you that Advisory Neighborhood Commission 1A is in support of Application No. 21252 of the Embassy of the Republic of Cuba at 2630 16th Street N.W. In my capacity as Commissioner for Single Member District 1A01, I have not received any complaints or comments from constituents regarding this project, and the application does not raise any concerns for me.

The Embassy's request to construct a retaining wall, fence, and screening to an existing detached chancery building in the RA-2 and RA-4 Zones appears to be appropriate, and I am in full support of this request.

Please feel free to contact me if you have any questions.

Sincerely,
