**Re: Letter in Support of FMBZA Case No. 21252 – 2630 16<sup>th</sup> Street, NW**

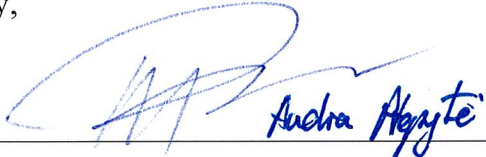

Dear Chairperson Hill and Members of the Board,

On behalf of the Embassy of the Republic of Lithuania, located at 2622 16th Street, NW, I am pleased to express our support for the application submitted by the Embassy of the Republic of Cuba. The proposed work to replace the existing fence at the rear of their property, along with the necessary grading and retaining wall, represents essential maintenance to ensure the property's safety and functionality.

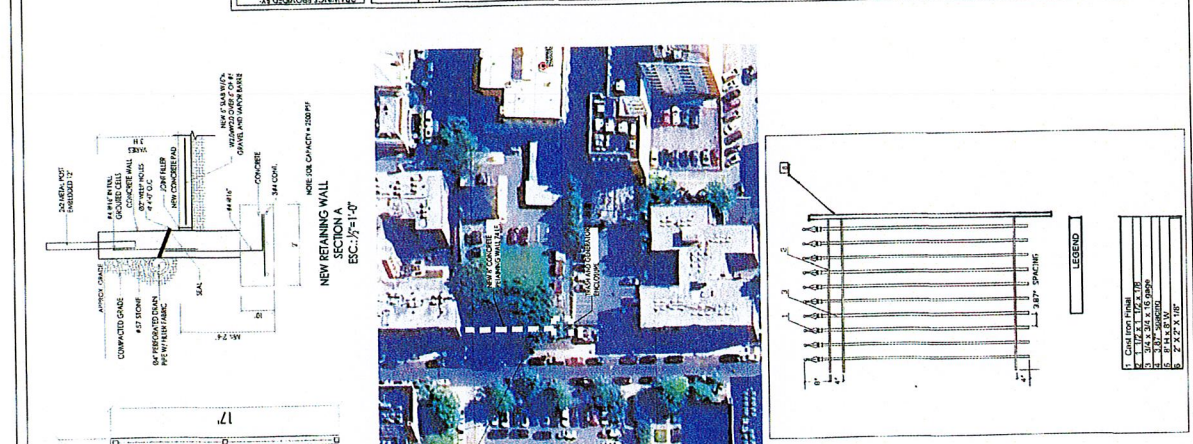

As the neighboring property, we have a vested interest in the successful completion of this project and believe it will enhance the overall integrity of the area. For these reasons, we respectfully urge the Board of Zoning Adjustment to approve this application.

Thank you for your attention and thoughtful consideration.

Sincerely,
