

## **COMMUNITY UPDATE**

The Applicant met with and presented to ANC 1C on January 7, 2026. During the meeting, the ANC asked clarifying questions related to trash collection and the need for renewed ANC consideration given the minor nature of the revision. The ANC agreed that no additional action was required, noting that the change constitutes a minor correction and that the ANC had already expressed support for the project in BZA Case no. 21252.
