

4632 Charleston Terrace NW is directly across the Street from me. The owners are good members of the neighborhood who take excellent care of the house and are a credit to the neighborhood.

What they are proposing to do makes great sense with such a steepackyard. They are also not blocking any sunlight to the neighbor behind them as that is a north facing structure. I wholeheartedly support them in this varience. This work only makes the neigborhood stronger with more livable homes.

Thank you for allowing me to weigh in.
