My name is Regina Middleton. I live at 2415 Shannon Place. I just have a couple of questions. I have three dogs, they're often out in the backyard. They do bark and growl. I don't want to disturb the patients, however there's going to be noise. Is the building constructed in a way that blocks noise? I have lived here for 63 year's and always had pets. They are like family. I don't want them to be in jeopardy of not being able to enjoy their yard.

I'm also concerned about parking. This is small street that often becomes impossible to move on. During the day you have parents and school buses dropping off and picking up children. Deliveries being made. The police training facility is around the corner and the cadets park on Shannon. Where will the staff and visitors park? Street cleaning is on Wednesday and Thursday. On those days there is no parking on either side for a few hours, so you have to find parking. This is difficult and at times impossible.

Thank you,  
Regina Middleton
