"My name is Anthony Fischer, and I am the owner of the property located at 1513 Webster Street NW, which is near 4401 16th Street, NW. I understand that the Applicant is requesting special exception relief to reuse a portion of the existing church on this property as a child development center. The Applicant currently operates two child development centers in our community, serving families in the area. This proposal seeks to consolidate those locations into a permanent home, ensuring continuity and stability for the many families who rely on their services. I believe that the consolidated Soles Montessori Child Development Center at this location will be a valuable addition to our community, offering quality childcare and educational opportunities while preserving the neighborhood's unique character by adaptively reusing the church building with no physical expansions. I also appreciate the ample parking provided on the property and the adjacent property. I respectfully request that the Board approve the Applicant's request for special exception relief."
