Dear BZA Members,

I am a neighbor of 4401 16th St NW (in fact I live on the same block of Webster St NW as the building site), and I support the application by Soles Montessori Child Development. I believe the school will be a positive addition to our neighborhood and provide a valuable service to local families and the broader community. The repurposing of the former Mosaic Church site as a pre-school easily accessible by public transportation and embedded in a residential community full of young families is exactly the kind of smart development we should all support.

Sincerely,

Katherine Cain
