RE: Testimony Regarding Application No 21283.

To Whom It May Concern:

We are writing regarding the Zoning Adjustment application for an accessory dwelling unit behind our neighbor's home at 1330 Kalmia Road, NW. We have reviewed the documents and plans for the new unit. We are aware of the intent to demolish the current garage and the expected impacts of the new construction.

We have no objection to the plans proposed in Application 21283. We wish Sarah and Trevor all the best in this project.

If you have any questions or concerns regarding our testimony please feel free to contact us. Thank you for your time and attention to this matter.

Sincerely,

Edward Elder, and
Sara Markle-Elder
