MEMORANDUM OF ANC SUPPORT

Date: June 23rd, 2025

Re: T-Mobile – BZA Case No. 21284 // Proposed Monopole at 3401 4th Street SE, Washington, DC

To Whom It May Concern:

T-Mobile respectfully submits this memorandum to document the support received from Advisory Neighborhood Commission (ANC) 8C regarding the proposed telecommunications monopole located at 3401 4th Street SE, Washington, DC, as part of BZA Case No. 21284.

T-Mobile presented the proposed project to ANC 8C at their regularly scheduled public meetings on **January 8, 2025** and **April 9, 2025**. During both presentations, T-Mobile representatives provided detailed information about the project scope, design, purpose, and location, and responded to all questions raised by the Commission and members of the public in attendance.

At the April 9, 2025 ANC 8C meeting, the Commission expressed verbal support for the application. Following the meeting, written confirmation of support was received via email from the ANC 8C Chair, affirming the Commission's position in favor of the project. Attached below.

T-Mobile appreciates the ANC's engagement and consideration of this application and looks forward to continuing to work collaboratively with the community to enhance wireless infrastructure in the District.

Respectfully submitted,
