RE: BZA Case 21285 of Dana and Dominic Ju EXPEDITED REVIEW

To Whom It May Concern,

Advisory Neighborhood Commission 4A is not prepared to take a position on the BZA Case 21285. Commissioner Joan Hoyte, in whose Single Member District the residence is located, reached out to the applicants on two occasions and was unable to schedule a meeting to evaluate the application and make a referral to the Commission; therefore, our Commission is not adequately informed to make a recommendation.

Please contact me if you have any questions.

ON BEHALF OF THE COMMISSION.

Sincerely,

Paula Edwards
Commissioner ANC 4A01
Chair
