Dear Members of the Board of Zoning Adjustment,

My name is Marcellus Walker Jr. and I am a resident of Ward 7 and a dedicated supporter of Tsunami Hair Studio, located at 4248 Benning Rd. Ne. I am writing to express my strong support for their application No. 21287, which I understand is a request for a special exception to allow the use of shipping containers on their property as storage space.

For the past 9 years, I have been consistently impressed by Tsunami Hair Studio's commitment to our community. Their ongoing efforts to expand their facilities are clearly aimed to better serve residents like myself with high quality services and customer care.

I understand that the need for this storage space has arisen due to the removal of a previous container that was not part of their official property acquisition. This lack of space has understandably created a challenge for them in storing essential products, equipment, and items necessary for their community events and programs.

Tsunami Hair Studio is more than just a hair salon; they are a vital part of Ward 7.

Their services are exceptional and contribute to the local economy.
They actively engage with and uplift our community through various initiatives.
Their training programs provide valuable skills and opportunities for residents.

The ability for Tsunami Hair Studio to secure this necessary storage space through the requested special exception will directly support their efforts to expand and continue providing these valuable services and community contributions to Ward 7.

I sincerely hope that the Board of Zoning Adjustment will favorably consider Application No. 21287. Your approval will be a significant step in supporting a local business that is deeply invested in the well-being of our community.

Thank you for your time and consideration.

Sincerely,
Marcellus Walker Jr.
