Re: Letter in Support of BZA Case No. 21300 – 4250 Fordham Road, NW

Dear Chairperson Hill and Members of the Board,

My name is Julie DeVol and I am the owner of the property located at 4990 Warren Street, NW, which is directly behind 4250 Fordham Road, NW. I understand that the Applicant is requesting special exception relief to construct a front porch roof and a screen porch addition. I am writing to give my support for the above-referenced BZA application.

Thank you for your time and consideration.

Sincerely,

Julie DeVol
