To Whom It May Concern:

We are writing to express our support for the zoning application submitted by the owners of [1631 A Street SE](#). We understand they are seeking relief to add two additional residential units to the building — one 1-bedroom and one 2-bedroom unit.

As nearby residents, we have no objection to the proposed changes. The project appears to be a thoughtful improvement that will add quality housing to the

neighborhood without negatively impacting the character or livability of the surrounding area.

We respectfully encourage the Board to approve the request.
