RE: Letter of Support for BZA Application No. 21304 – Muluwork Kenea (Expansion of Child Development Facility)

Dear Members of the Board,

As the duly elected Advisory Neighborhood Commissioner representing Single Member District 7C06, I am writing to express my full support for **BZA Application No. 21304** submitted by **Ms. Muluwork Kenea**, who seeks to expand her home-based child development facility from **9 to 12 children**.

Ms. Kenea presented her application to the full Advisory Neighborhood Commission 7C during our most recent general body meeting. After her thoughtful presentation and discussion with the commissioners and community members in attendance, ANC 7C voted **unanimously (7-0)** to support her request for special exception relief to increase enrollment at her facility.

This modest expansion will help meet a growing need for safe, high-quality childcare in our community while maintaining the residential character of the neighborhood. Ms. Kenea has demonstrated her commitment to providing nurturing and professional care to our children, and her continued investment in this service benefits families across Ward 7.

Thank you for your consideration of this application. Should you have any questions, please do not hesitate to reach out.

Sincerely,
Patricia Stamper
Commissioner, ANC 7C06
