Hello.

The property is 450 ft sq feet. As for staffing, I plan to hire three non-resident staff in addition to my existing employees, a mixture of residents and non-residents. This will allow the daycare to employ 3 staff per shift, in compliance with required staff-to-student ratios.

Hi,

We received this filing last week, but it doesn't have the square footage or number of resident and non-resident employees. Do you want to email the updated information and then send in the powerpoint?

To Whom it May Concern,

Apologies for the missing information present in my earlier filing. Attached is information on the property's size and planned staff expansion. Good afternoon.
