Re: Letter in Support of BZA Case No. 21313 – 30 W Street, NW

Dear Chairperson Hill and Members of the Board,

My name is Ilir Salihi, and I am the owner of the property located at 28 W Street, NW, which is immediately adjacent to 30 W Street, NW. I understand that the Applicant is seeking special exception relief to allow for the construction of a rear addition to the principal building as well as the replacement of the existing garage with a new two-story garage. I am writing to express my support for the above-referenced BZA application.

Thank you for your time and consideration.

Sincerely,

---

Ilir Salihi
