**Re: BZA Appeal No. 21314 – Burleith Citizens Association, Appellant  
Department of General Services Motion to Postpone Hearing with DOB's Consent**

Dear Chairperson Hill and Members of the Board:

On behalf of the District of Columbia Department of General Services (“DGS”), the intervening party in the instant appeal, DGS respectfully requests that the Board continue the scheduled December 10, 2025 hearing in this matter for good cause, and in support thereof states as follows:

The instant appeal was taken by Appellant Burleith Citizens Association (“Appellant”) from the March 7, 2025, determination of the Zoning Administrator permitting the installation of field light poles at 1700 38th Street NW (“Duke Ellington Field”). At the Virtual Public Hearing of October 29, 2025, the Board of Zoning Adjustment, on its own motion, postponed the hearing in this appeal to December 10, 2025. When the Board previously postponed this case, it did so in anticipation of the Zoning Commission’s impending vote in ZC Case No. 25-12, which proposed a text amendment that could have provided clarity on several issues relevant to this appeal. However, at the request of the Office of Planning, that text amendment was withdrawn on November 25, 2025, and no vote was taken. Following that development, DGS’s General Counsel has been out of the office and is not expected to return until December 6, 2025. When the Board selected the December 10<sup>th</sup> hearing date, it was not known the ZC deliberation would occur in such close proximity to the continued BZA date. Given these circumstances and the number of stakeholders involved, the Parties require additional time to reengage, coordinate, and determine whether a negotiated resolution remains feasible.

As such, in an effort to conserve the resources of the Parties and the Board, and in the interest of efficient government, DGS respectfully requests that the Board grant this Motion to Postpone Hearing, and continue the December 10, 2025, hearing in this matter for at least 30 days. DGS contacted Appellant’s counsel to request consent to this extension; however, Appellant has denied consent.

Sincerely,

COZEN O'CONNOR

Meridith H. Moldenhauer
