Steve,

I'm writing to express my support for the upcoming renovation project at your home at 424 7th St NE.

As the adjacent neighbor to your home, I believe your planned updates will be a positive enhancement to your property as well as the neighborhood. I appreciate being updated on the plans and the consideration for the tenants that occupy my property.

Please let me know when the start date for demolition and construction are confirmed, as well as the projected end date.

Best wishes on the project,
Kaia Greene
