We have reviewed the plans for the renovations at 424 7th Street, NE, Washington, DC 20002 provided by Mr. Graham and his architect, Greg Holeyman of Barnstar Architects. We understand the scope and schedule for the project. We are aware of how the work will affect us as neighbors during the construction period.

Please accept this email as a letter of support and approval for moving forward with the project from your next door neighbors at 422 7th Street.

Sincerely,  
Max Kanner
