I have reviewed the plans for the renovations at 424 7<sup>th</sup> St NE, Washington, DC 20002 provided by Mr. Graham and his architect, Greg Holeyman of Barnstar Architects. I understand the scope and schedule for the project. I am aware of how the work will affect me as neighbors during construction period.

Please accept this email as a Letter of Support and approval for moving forward with the project as depicted in the plans presented to me.

Regards,
