Re: Letter in Support of BZA Case No. 21330 – 1818 15th St. NW

Dear Chairperson Hill and members of the Board,

I am the owner of the property at 1504 Swann St., adjacent to 1818 15th St. NW and have communicated with the Applicant about the proposed carport addition and the need for special exception relief.

I would like to express my full support for the above referenced BZA application.

Sincerely,
