BOARD OF ZONING ADJUSTMENT

Application No. 15138 of Michael Wilson, pursuant to 11 DCMR 3108.1, for a special exception under Section 2003 to change a nonconforming use from dry cleaning to a home improvement office, first floor, in an R-4 District at premises 2016 1st Street, N.W., (Square 3116, Lot 11).

HEARING DATE: September 27, 1989
DECISION DATE: September 27, 1989 (Bench Decision)

SUMMARY ORDER

The Board duly provided timely notice of public hearing on this application, by publication in the D.C. Register, and by mail to ANC 5C and to owners of property within 200 feet of the site.

The site of the application is located in Advisory Neighborhood Commission ("ANC") 5C. ANC 5C, which is automatically a party to the application, by letter dated September 19, 1989, offered no objection to the granting of the application.

As directed by 11 DCMR 3324.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception pursuant to 11 DCMR 2003. No person or entity appeared at the hearing or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3108, and that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and maps. It is therefore ORDERED that the application is GRANTED, SUBJECT to the following CONDITIONS:

1. The hours of operation shall not exceed from 9:00 A.M. to 8:00 P.M. Monday through Saturday.
2. The number of employees shall not exceed four.
3. Any signage on the subject premises shall be flat to the wall and non-illuminated.

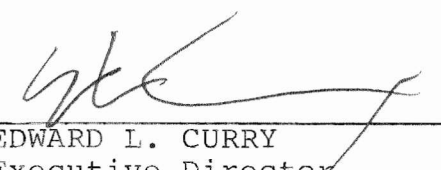

4. The applicant shall provide two on-site parking spaces at the rear of the site.

Pursuant to 11 DCMR 3301.1, the Board has determined to waive the requirement of 11 DCMR 3331.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is not prohibited by law.

VOTE: 5-0 (Charles R. Norris, Paula L. Jewell, William F. McIntosh, Maybelle Taylor Bennett and Carrie L. Thornhill to grant).
