----------------------------------------------	---	-------------------------------------------	---

MATERIAL SUBSTANCE

The issues and concerns of the ANC about the appeal, petition, or application as related to the standards of the Zoning Regulations against which the appeal, petition, or application must be judged (*a separate sheet of paper may be used*):

The applicant requests a special exception from the maximum number of principal dwelling units (Section 701.5)

They are also requesting an exception from the parking requirement (Subtitle C, 701.5)

The applicant is also requesting area variance relief from the minimum lot area requirements of Subtitle C, 701.5

ANC 5E supports the application to maintain the number of housing units as this building has existed

as a 3-unit building for several years without any issues and to maintain the housing stock in the neighborhood

The recommendation, if any, of the ANC as to the disposition of the appeal, petition, or application (*a separate sheet of paper may be used*):

ANC 5E as well as its zoning committee reviewed the zoning application

and received multiple presentations from the applicant.

ANC 5E is requesting that the BZA grant the special exceptions

and the area variance as requested by the applicant.
