Re: Letter in Support of BZA Case No. 21346 -- 1130 4th St NE

Dear Board of Zoning Adjustment,

My back-door neighbors, Daniela Serrano Pavon and Jacob Lestock, have shared with me their plans for their proposed deck, which doubles as a carport, located at 1130 4th St., N.E., Washington. DC. I have no objections to these plans and support their request for the necessary zoning relief for BZA Case No. 21346 and future construction of the project.

Sincerely,
