Re: Letter in Support of BZA Case No. 21346 -- 1130 4th St NE

Dear Board of Zoning Adjustment,

Our next-door neighbors, Daniela Serrano Pavon and Jacob Lestock, have shared with us their plans of their proposed deck double functioning as a carport located at 1130 4th St., N.E., Washington. DC. We have no objections to these plans and support his request for the necessary zoning relief for BZA Case No. 21346.

Sincerely,
