Good Morning Timothy,

How are you?

I wanted to follow up with you, and request an invite to the zoom meeting for the project at [4826 Eastern Ave NE](#). In your latest email correspondence with the architect, Ileana, it was agreed that the meeting would take place via zoom on Thursday, October 2, 2025 at 6pm. We have not received confirmation yet, so if you could confirm that the meeting is still set to take place, that would be great! I have cc'd everyone on our end, including the clients, so we can all be informed on what's next.

Please let us know by Wednesday, October 1, 2025 if the time and date aforementioned is no longer available, and we will gladly reschedule at your earliest convenience. We are eager to have our project reviewed by ANC in order to maintain our place in the BZA hearing schedule.

Thank you in advance for your time and attention to our project. I look forward to hearing from you soon :)

All the best,
