Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the burden of proof that the requested special exception relief can be granted because:

- It is in harmony with the general purpose and intent of the Zoning Regulations and Map;
- It will not tend to affect adversely the use of neighboring property; and
- Pursuant to Subtitle X § 901.2(c), the relief satisfies the specified conditions for special exception relief.
