Re: Letter in Support of BZA Case No. 21374- 4401 Garrison Street, NW

Dear Chairperson Hill and Members of the Board,

My name is Adriana Gomez, and I am the owner of the property located at 5104 44th Street, NW, which is directly adjacent to 4401 Garrison Street, NW. I understand that the owners are proposing to construct a one-story covered deck addition to the rear of their home. I am writing to express my support for the above-referenced BZA application.

Thank you for your time and consideration.

Sincerely,

Adriana Gomez
