Re: Operational Hours and Parent Drop-Off/Pick-Up Procedures

To Whom It May Concern,

This letter is submitted on behalf of Children of the Future Daycare Center to formally state the operational hours, parent drop-off and pick-up procedures, and facility use for our childcare operations.

Children of the Future Daycare Center operates Monday through Friday from **7:00 a.m. to 6:00 p.m.** Morning drop-off is scheduled between **7:00 a.m. and 9:00 a.m.**, and afternoon/evening pick-up occurs between **2:00 p.m. and 6:00 p.m.**

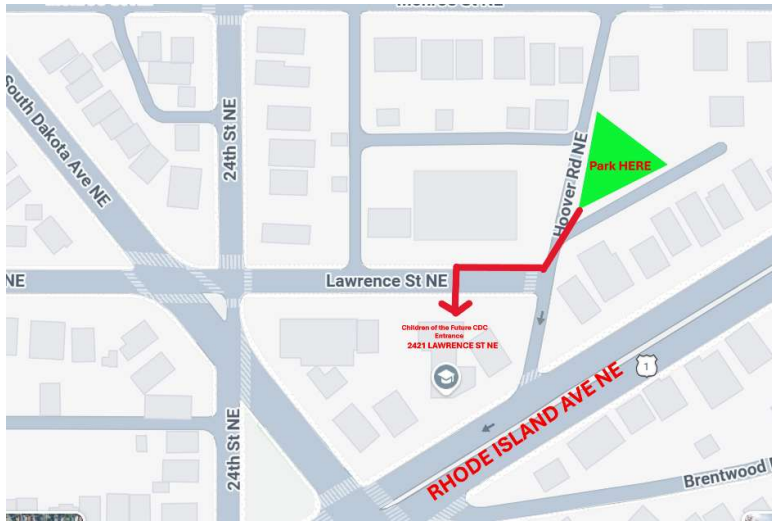

During any portion of the designated drop-off and pick-up periods, parents and guardians may temporarily park in the designated parking lot located at the **intersection of Lawrence Street NE and Hoover Road NE**. This parking area is less than a **0.1-mile walk** from the facility. From the parking lot, parents may safely cross **Hoover Road NE** and access the childcare facility directly at the **2421 Lawrence Street NE building entrance**.

Additionally, please note that the daycare center will not utilize the third floor of the building for its daily operations. All regular childcare activities will be conducted on designated floors approved for daycare use.

These procedures are designed to support safe, efficient transitions for families while maintaining orderly site operations.

Please feel free to contact us should you require any additional information or clarification.

Sincerely,
Children of the Future Daycare Center
Robert Teachey
Owner

Red line/arrow signifies the walking path for parents to/from the designated lot.

The green triangle marks the location of the parking lot

The facility is labeled with address and business name

The parking lot is less than 0.1 mile away from the school
