To Whom It May Concern,

On behalf of McKendree Simms Brookland United Methodist Church, this letter is to confirm that during church-hosted events, including but not limited to funerals and memorial services, the church will make every reasonable effort to accommodate parking in a manner that does not interfere with established childcare routines on the property.

The church acknowledges that the on-site childcare center operates Monday through Friday from 7:00 a.m. to 6:00 p.m. In consideration of these hours, the church will coordinate parking arrangements during applicable events to support the safe and uninterrupted operation of childcare activities.

McKendree Simms Brookland United Methodist Church is committed to being a respectful and cooperative community partner and will take appropriate steps to ensure parking accommodations align with these operational needs.

If additional information or clarification is needed, please feel free to contact the church directly.
