Re: BZA Case **21382**, 4818 MacArthur Blvd. NW (JVL Healing LLC)

Dear Robert Reid:

On behalf of JiangYan Li (DBA JYL Healing LLC), please accept this letter of support to the Board of Zoning Adjustment in her application for a special exception from the Zoning Regulations, Subtitle U, Section 513.1 (h) to change the use of the 2nd floor at 4818 MacArthur Avenue NW from commercial office to massage establishment.

Anna has been in regular communication with me, the owner, and employees of Little Ivies DC child care center which is the first floor tenant in the small building which is a converted row house. While each tenant has separate entrances, we share a foyer as well as electrical, plumbing, heating and cooling systems. This requires routine and friendly communication.

I, my staff and the parents of the children in our child care center look forward to taking advantage of the health and wellness services offered by Anna's foot spa. This new business is a welcome addition to our neighborhood.

Sincerely,

A handwritten signature in dark ink, appearing to read "N. Ali", with a long, sweeping horizontal line extending to the right.

Narissa Ali-James, Owner
