## USE

Dear Chairman Hill,

For external reasons to the Board of Zoning process, the homeowner has decided that the case will not move forward at this time. We request that you remove the item from the agenda and from the IZIS records. If and when the project scope is redefined, we will file for another BZA case, if necessary.

Please let us know what other steps we need to take to make sure this case is removed from the BZA records.

Thank you for your assistance in this matter,
