

Dear Members of the Board,

I am/we are writing in support of Taleesha Scott Richardson and Vincent Richardson and their plans to rebuild their home at 3708 24th Street NE, Washington DC 20018. The loss of their home due to the fire was a tragedy for our entire community. It is only fair that they be given the opportunity to restore their home and return. Please grant them the relief they are requesting.

Their plans are reasonable and will enhance our neighborhood. I strongly encourage the Board to approve their application.

Best regards,
