

To the Board of Zoning Adjustment,

I am/we are a nearby neighbor of Taleesha Scott Richardson and Vincent Richardson on 3708 24<sup>th</sup> Street NE Washington, DC 20018, and am writing to voice my support for their proposed home rebuild. The fire that destroyed their house was an unfortunate event and allowing them to rebuild to meet their family's needs will help restore stability and appearance to our neighborhood.

I/we fully support their special exception request and urge the Board to approve it.

Sincerely,
