

Dear BZA Members,

I'm writing to share my support for my neighbors, Taleesha Scott Richardson and Vincent Richardson at 3708 24<sup>th</sup> Street NE Washington, DC 20018, as they work to rebuild their home after the devastating fire. They've always been wonderful neighbors, and we're eager to have them back.

Their rebuild plans will help bring life and continuity back to our block. I wholeheartedly support their application and look forward to seeing their home restored. Please grant them the relief they are requesting.

Warm regards,
