

We, the residents of ANC 7B oppose application #21419 – Permitting and Vehicle Towing and Storage at 4101 Alabama Avenue, SE. because: 1) The lot is commercial; we are residential. 2) The tow and storage lot is an eye sore. It looks like a junk yard. 3) Currently, the "lot" parks cars on the grass adjacent to 41st Street and in front of the enclosed area. 4) Contrary to what we were told, the lot stores large trucks and buses in need of repair. These vehicles are in plain sight; they are not hidden by their enclosure. 5) The company said that they had consulted us and got our approval. That is **NOT** true!
