BZA Application No. 21419 of PMG Mid Atlantic, LLC

I am writing as Chair of Advisory Neighborhood Commission 7B to authorize Commissioner Jimmie Williams (Single Member District 7B07) and Commissioner Angela Sydnor (Single Member District 7B08) to represent the interests of ANC 7B before the Board at the hearing in the above-referenced case.

Commissioners Williams and Sydnor represent the Single Member Districts closest to the proposed site, and both have been directly engaged with residents in the immediate area throughout this matter. I ask that the Board recognize them as authorized representatives of ANC 7B for purposes of this hearing, including for any testimony, questions, or statements offered on the Commission's behalf.

Please let us know if any additional documentation is needed to confirm this authorization.

Thank you for your consideration.

Respectfully,

T. R. Smith
