<sup>1</sup> The hearing was administratively rescheduled from March 18, 2026 and May 5, 2026 due to the lack of a quorum on the Board.

"Board") referred the application to the appropriate agencies and provided proper and timely notice of the public hearing in accordance with Subtitle Y § 402.1.

**ANC REPORT.** The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on January 13, 2026, at which a quorum was present, the ANC voted to support the application. (Exhibit 17.) The ANC report raised no issues or concerns.

ANC Commissioner Nancy Groth testified at the public hearing on behalf of ANC 2C in support of the application.

**OFFICE OF PLANNING ("OP") REPORT.** OP submitted a report recommending approval of the application. (Exhibit 24.)

**DISTRICT DEPARTMENT OF TRANSPORTATION ("DDOT") REPORT.** DDOT submitted a report indicating that the relief would not result in any adverse impacts to the District's transportation network, and that it had no objection to the application with the condition that the Board require the applicant to provide four (4) short-term bicycle parking spaces. (Exhibit 25.) The Board did not adopt this condition, as the Applicant agreed to fulfill this condition on the record.

### **CONCLUSIONS**

Pursuant to Subtitle Y § 604.3, the order of the Board may be in summary form where granting an application when there was no party in opposition. As a summary order, it does not constitute binding legal precedent on the Board and shall not be considered by the Board in evaluating future applications.

Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the burden of proof that the requested special exception and variance relief can be granted because:

- It is in harmony with the general purpose and intent of the Zoning Regulations and Map;
- It will not tend to affect adversely the use of neighboring property;
- Pursuant to Subtitle X § 901.2(c), the relief satisfies the specified conditions for special exception relief;
- There exists an exceptional or extraordinary situation or condition related to the property;
- The exceptional condition creates a practical difficulty, in the case of an area variance, or an undue hardship, in the case of a use variance, in complying with the Zoning Regulations;
- The relief can be granted without substantial detriment to the public good; and
- The relief can be granted without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.
