Chairperson Pourciau and Members of the Board:

We are writing in support of BZA Case 21439 for 1908 Irving Street NE.

As our neighborhood continues to grow, much of the new housing being added consists of studios and one-bedroom apartments. Larger homes that can accommodate families remain comparatively scarce, and I believe it is important to support projects that help create more family-sized housing options.

Adding eight family-sized homes at this location will help maintain a diverse, inclusive, and livable neighborhood for residents at different stages of life. I also appreciate the Applicant's extensive community engagement throughout this process.

For these reasons, we respectfully urge the Board to approve the requested relief.

Thank you for your consideration.

Sincerely,
The Wilkinsons
