Hello-

We are the across the street neighbors of 6117 32nd Place NW (where Paul and Kathy Rosenbaum are have been renovating their residence). We are familiar with the project and zoning issue that arose after construction began last year (BZA case number 21440).

We have no objection to the requested variance. We look forward to seeing the project completed and our neighbors moved back into their long term home.

Please let us know if you require any additional information.

Regards-
Rachelle Sampson & Wilbur Chung
